## Bringing U closer together

This service is for all residents of any age, wherever they may live in the district, who are stuck for transport to get to local destinations on weekdays, between about 9.30am and 2.30pm.

The scheme is for you if you:

- Have a genuine need for local transport and
- Cannot access public transport because of mobility problems or other issues
- or
- Live in an isolated location with no, or infrequent levels of, public transport

The UBUS service can be used for a wide range of individual travel needs, such as visiting friends, attending social groups, leisure activities, lifelong learning and, of course, shopping.

Each passenger is given a seven digit membership number, which should be quoted when making a booking.

Drivers will provide reasonable assistance to passengers boarding and alighting the vehicle including help with up to 3 shopping bags and trolleys if required.

UBUS vehicles are fitted with low-floor steps and tail-lifts to ensure they are as easy as possible for everyone to use, including wheelchair users.

## Three steps to book a journey with UBUS

**1** Once registered with the service, simply contact our booking team on 01789 264491 between 9.30am and 2.30pm, Monday to Friday. Please quote your Membership Number and let us know what journey you would like to make. We will need to know the day and times you require, where you are travelling from and to, the number of passengers and whether you are taking a mobility aid or shopping trolley with you.

**2** We will confirm your journey times (subject to availability) on the day you contact us. If we are not able to offer you your preferred times, we will suggest the nearest available times.

You can book a journey with a maximum notice period of seven days ahead of travel and with a minimum notice period of 24 hours before travel, subject to vehicle availability.

**3** On the day of travel, please be ready on time at your home address or agreed pick up point. Pay your fare to the driver and enjoy the ride. (Our buses will not leave early without passengers but can be up to 10 minutes later than the time quoted).
